In this catalogue you will find a list of our current products and services. Our business is based on our ability to provide dedicated vehicle door specific security kits. Each kit is supplied with all fixtures, fittings and detailed installation instructions to enable a professional, effective and economic installation.

We have gone to considerable lengths to test our products and gain our quality accreditations - our products really are the best!

Our aim is to dispatch all orders the same day on a next day morning delivery.

Please call us for more information about Locks 4 Vans products, both our customer service and technical teams are always happy to talk to you.

INSTALLATION & SERVICES

All Locks 4 Vans products are fully supported throughout the UK and Southern Ireland. To enable our customers to offer a nationwide lock fitting service, Locks 4 Vans also provide an emergency call-out and trade installation service using our network of approved sub-contracted engineers.
